16) It is seen from the Government Order No L 13171-4, III 77-45-4 dated the 25/28-5-1946 that the underground drainage scheme, was sanctioned, at an estimated cost of Rs 5,40,856/- for the first stage, the execution of which is spread over a period of 3 years, the cost being met in the proportion of three-fourths and one-fourth by the Government and the Municipal Council, the Government grant being Rs 4,05,636/- and the Municipal share being Rs 1,35,210/- equal to the Municipal share of the cost is also sanctioned

Flag F

17) The President has stated that out of the Government grant of Rs 4,05,636/- the first instalment of Grant of Rs 1,35,212/- was drawn on 30-6-1948 Out of the loan of Rs 1,35,212/- a sum of Rs 67,605/- being half of the sanctioned loan was renewed in Government Order No L 2726-9/III 78-51-4 dated 27-6-1951 So far, a total sum of 2,02,815/- is sanctioned out of the estimated cost of Rs 5,40,856/- for the I stage of the underground drainage scheme

Flag G

18) It is seen from the President's report that the outlay incurred by the Bureau of Sanitary Engineering, Bangalore and Shimoga Division, is stated to be Rs 2,41,981/- upto August 1951 It is also reported that there is heavy amount to be paid for the work done already In this connection, kind attention is invited to the report of the Deputy Commissioner, Shimoga, in the matter

Rs 1,22,675/- . Refer para 25
supra

27) The budget allotment under Revenue
and loans has been exhausted
Hence no loans can be given this

year In this connection it is to be stated that
the sanction of Govt Grant and a loan
was ordered in the year 1946 when the
financial position of the Municipality was very
bad. The Govt Grant of Rs 4,05,636/- was

38524/5337 ⁴⁰⁶⁴ Under ground Drainage Scheme

ordered to be paid in three annual
instalments and out of a loan
of Rs 1,35,210/-, half the amount
of Rs 67,205/- has been sanctioned during the
current year vide G.O. dated 27-6-1951. The

President requests sanction of the remaining
instalments of Govt Grant or half the
remaining half of the loan while sanctioning
the scheme in 1946, the
financial position of the Mty was not good
But recently the Mty has secured very heavy

amount by sale of sites and the closing balance
has risen to about 2 lakhs. The financial
position of the Municipality during 51-52 is as

follows

O B Rs	66,030
Receipts Rs	6,93,560
Grants	7,49,590
Exp	6,05,095
C B	1,44,495
Rs	(1,44,495 + 1,31,340)

The amount realised from
the sale of sites this year is
Rs 1,31,340. Thus the total
closing balance with the
Mty is Rs 2,75,835/-

Therefore it is a point
for consideration whether any more loan has
to be given to this Mty, when the financial
position has improved considerably.

I write to state that the Government in their order NO L 2726-9/M1 78-51-4 dated 27-6-51/2-7-1951 renewed during the current year a loan of Rs 67,605/- being half of the loan granted in Government order dated 28th May 1946 but no allotment for drawing the Government grant of Rs 1,35,212/- during the current year has been sanctioned. The Government in their order dated 28th May 1946 while sanctioning the scheme have stated that the Government grant on the basis of a sum of Rs 4,05,636/- being the estimated cost of the scheme will be paid to the Municipality in three annual instalments commencing from the year 1946-47 from out of the provision made in the State Budget under "Town Improvement grants". According to this, the grant for the year 1947-48 was drawn and credited to the Sanitary Engineering Department on 30th June 1948 and after this date, no grant of Government has been drawn. Hence, I request you to be so good as to kindly obtain the sanction of Government for ~~drawing~~ ^{balance of} sanctioning and drawing of the Government grant for the year works.

Correspondence ending with letter No. 3 C 3102 dated 9th October 1945 from the Deputy Commissioner, Shimoga District for forwarding proposals in regard to the execution of the Comprehensive underground drainage scheme in Shimoga town municipality.

2 Unofficial note No. 237 dated 14th April 1945 from the Chief Engineer for Irrigation on the subject

3 Un-official note No. 86/ A D dated 21st September 1945 of the Controller to Government on the subject

Order No. L 13171-4/ L 77-45-4 dated, Bangalore, the 25th 28th May 1946

The Deputy Commissioner, Shimoga District has submitted proposals for the execution of a comprehensive underground drainage Scheme in the Shimoga Town at a total cost of about ten lakhs of Rupees, as prepared by the Bureau of Sanitary Engineering and the Town Municipal Council, Shimoga have proposed to carry out the said Scheme in two stages. The estimate for the first stage of the Scheme has been scrutinised by the Chief Engineer for Roads and Buildings and corrected to Rs. 5,40,856/- inclusive of a smaller estimate for Rs. 32,500/- for attending to the surface drainage work in certain localities where the poorer classes of people live.

2 In regard to the financing of the first stage of the scheme the Deputy Commissioner, Shimoga District has recommended sanction to the following proposals of the Municipal Council -

(a) that in outright grant equal to three-fourths of the cost may be given by the Government, the balance viz, one-fourth being met by the Municipal Council,

(b) In order to enable the Municipal Council to meet its quota a loan equal to one-fourth of the cost, as proposed above, may be advanced to the Municipal Council carrying interest at 3% and repayable in 25 annual instalments. The loan is proposed to be repaid by earmarking the additional income under mohatarfa, Octroi revenue, sale of sites and levy of surcharge stamp duty.

3 Having regard to the slender resources of the Shimoga Town Municipality and the urgent need for the provision of underground drainage in the town, Government are pleased to sanction the estimate for Rs. 5,40,856/- for the first stage of the scheme, the execution of which will be spread over a period of three years the cost being met as a special case recommended by the Deputy Commissioner, Shimoga District.

4, The Government grant on this basis amounting to Rs 4,05,636 will be paid to the Municipality in three annual instalments commencing from the year 1946-47 from out of the provision made in the State Budget under "Town Improvement grants"

5 In order to enable the Municipal Council to meet its share of the cost of the first stage, a loan of Rs 1,25,210/- is also sanctioned to Shimoga Town Municipal Council. The loan will carry interest at 4 1/2 % per annum and be repayable in 15 annual instalments

6 The Chief Engineer for Roads and Buildings is requested to arrange for the work being taken up immediately and pushed through expeditiously

7 The Deputy Commissioner, Shimoga District is requested to arrange for the necessary provision being made in the Budget estimates of the Shimoga Town Municipality every year towards the repayment of the loan in question from the next official year till it is completely discharged

Subject Renewal of balance of the loan of Rs 67,605/-
for the underground drainage scheme of Shimoga Town

With reference to your letter No I 6011 dated 3-9-51 ascertaining the amount spent so far out of the loan sanctioned towards the estimated cost of the under ground drainage Scheme, I write to enclose herewith a copy of letter No 1675/1 dated 17-10-51 for your kind information. It is seen from the figures furnished by the Executive Engineer, Shimoga Division that the total outlay incurred up to the end of August 51 towards the works is Rs 2,41,981/- against the Government first instalment of share cost of Rs 1,35,212/- drawn during 30th June 1948. The total cost of the scheme is Rs 5,40,846/- out of this, the Government share of cost is Rs 4,05,636/- to be paid in three annual instalments and the balance is the Municipal share of cost which is advanced to the Municipality. Against a loan of Rs 1,35,212/- which is the Municipal share of the cost of the scheme a sum of Rs 67,607/- has been sanctioned under Government order dated 2-7-51.

Since the Executive Engineer states that this heavy amount is shown under C B A in his books which is liable to be objected to by the Accountant General, I request you to be kind enough to obtain sanction of Government for sanction of the remaining Government share of cost of Rs 2,70,424/- or the Municipal share of the remaining cost of the scheme which is treated as a loan namely Rs 67,605/-

Subject Renewal of balance of the loan of Rs 67,605/- for the Under Ground Drainage Scheme of Shimoga Town

With reference to your letter No Cl-6/44-45 of 12-9-51 enclosing therewith a copy of letter received from the Secretary to Government Local Self Government Department in No 6011 dated 3-9-51 and requesting to be intimated the expenditure that has been incurred on the above, I write to state that this work, was being executed by the Bureau of Sanitary Engineering, Bangalore and was transferred to this Division with effect from 1-7-50. The total outlay incurred on the above up to the end of 8-51 is Rs 2,41,981-3-0 as per details furnished below. It is seen that an outlay of Rs 44,179-14-0 has been incurred in this division and the balance is booked by the Ex-Bureau of Sanitary Engineering, Bangalore. I am to add in this connection that as per C C the Government Grant amounting to Rs 4,05,636/- is to be paid to the Municipality in 3 instalments commencing from the year 46-47 and placed at the disposal of this department for meeting the cost of the works. Similarly the Municipal quota of the scheme should likewise be drawn and placed at the disposal of this department. In the circumstances, I request you to be so good as to furnish the following information

- a) Whether the Municipality has drawn the Government Grant advanced to the Council and placed at the disposal of this department

If so the number and date of the challan with which the amount was credited may be intimated. As for the balance to be paid by the Municipality it may kindly be intimated when the amount of Rs 67,605/- was drawn and credited to this department previously. Since no information is available in this office with regard to the amounts already drawn and credited to this department, the entire expenditure on this scheme is being accounted for under C R A and a very heavy amount is now outstanding against the Municipality in the books of this office. Since such heavy outstanding being objected to by the Accountant General and is urging on its being cleared from the

OLB A it may kindly be intimated as to when the amount advanced
Government as also the amount due to be paid by the Municipality :
scheme was drawn and credited to the treasury for expenditure by the
Department

Information on the above points may kindly be arranged to be
furnished immediately so that the expenditure now incurred may be
regularised and the outstandings cleared from the C B A

The work is under good progress and further outlay is to be booked

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE RAJARAJA OF MYSORE

Correspondence ending with letter No W3 x 31C2/41-42 dated 9th October 1945 from the Deputy Commissioner, Shimoga District, forwarding proposals in regard to the execution of the comprehensive underground drainage scheme in Shimoga Town Municipality

2 Unofficial note No 237 dated 14th April 1945 from the Chief Engineer, for Irrigation on the subject

3 Unofficial note No 86/M A D dated 21st September 1945 of the Comptroller to Government on the subject

Order No L 13171-4/11 77-45-4 Bangalore dated 25th/28th May 1946

The Deputy Commissioner, Shimoga District has submitted proposals for the execution of a comprehensive underground drainage scheme in the Shimoga Town at a total cost of about ten lakhs of rupees, as prepared by the Bureau of Sanitary Engineering and the Town Municipal Council, Shimoga have proposed to carryout the said scheme in two stages. The estimate for the first stage of the scheme has been scrutinised by the Chief Engineer for Roads and Buildings and corrected to Rs 5,40,856/- inclusive of a smaller estimate for Rs 32,500/- for attending to the surface drainage work in certain localities where the poorer classes of people live

2 In regard to the financing of the first stage of the scheme, the Deputy Commissioner, Shimoga District has recommended sanction to the following proposals of the Municipal Council:-

a) (a) that an outright grant equal to three-fourths of the cost may be given by the Government, the balance viz, one-fourth being met by the Municipal Council

(b) In order to enable the Municipal Council to meet its quota, a loan equal to one-fourth of the cost, as proposed above, may be advanced to the Municipal Council carrying interest at 3½% and repayable in 25 annual instalments. The loan is proposed to be repaid by earmarking the additional income under mohatarfa, octroi revenue, sale of sites and levy of surcharge stamp duty

3 Having regard to the slender resources of the Shimoga Town Municipality and the urgent need for the provision of underground drainage in the town, Government are pleased to sanction the estimate for Rs 5,40,856/- for the first stage of the scheme, the execution of which will be ~~spread~~ spread over 2 period of three years, the cost being met as a special case as recommended by the Deputy Commissioner, Shimoga District

4 The Government grant on this basis amounting Rs 4,05,630/- will be paid to the Municipality in three annual instalments commencing from the year 1946-47. From out of the provision made in the State Budget under "Town Improvement grants"

5 In order to enable the Municipal Council to meet its share of the cost of the first stage, a loan of Rs 1,35,210/- is also sanctioned to Shimoga Town Municipal Council. The loan will carry interest at 4½% p a and be repayable in 15 annual instalments

6 The Chief Engineer for Roads and Buildings is requested to arrange for the work being taken up immediately and pushed through expeditiously

7 The Deputy Commissioner, Shimoga District is requested to arrange for the necessary provision being made in the budget estimates of the Shimoga Town Municipality every year towards the repayment of the loan in question from the next official year till it is completely discharged
